In Memoriam

John F. Kennedy

President John F. Kennedy was a man of peace.
He was a man who hated violence,
but a man who followed the dictates
of his conscience.

He was a man who dreaded war, but a man
who would not sacrifice honor
and dignity.

JFK was a man who hated needless strife,
but a man who took a firm stand
against those who would blacken
the good name and the glory
of our country.

JFK was a man who pointed out a rugged
but honorable path that all of us
might follow to remain true
to our country.

Let us pray that JFK's brilliant life, his
sterling deeds, but especially his tragic
death will not have been in vain.

Let us hope that JFK's example will help
to make all of us Americans
mindful of our responsibilities
to God, to our beloved country,
and to our fellow men.

DEDICATION

Mens sana in sano corpore — A sound mind in a sound body. These words have certainly characterized all of the work that Father Hugh has done for us in our four years at St. Meinrad. Taking an individual interest in all students, Father Hugh, in his capacity as director of physical education, has done everything possible to help each student to improve himself physically and socially.

Besides teaching eight high school courses, Father Hugh has arranged to provide a wide variety of games and athletic contests designed to meet the needs of all students. Thanks to his foresight, the athletic facilities of the high school have been increased considerably. Not only has he scheduled and arranged games, but he has kept the athletic supply room well stocked with equipment for student use.

Therefore, we, the Senior Class of 1964, wish to dedicate our yearbook to Father Hugh Dewig, O.S.B., in gratitude for his zealous devotion to duty, his unfailing interest in all students, and his untiring efforts to train us well.

A Happy Day

Happiness and privilege were written on the faces of 122 new sodality members December 8.

The investiture was enhanced by an inspiring sermon by Father Thomas Lyons, pastor of St. Martin Church in Siberia, Indiana. His words showed us the way to Christ through His Blessed Mother.

Maria, Mater gratiae, ora pro nobis.

A Sad Day

Sadness and mourning were noticeable November 25 during the Pontifical Requiem Mass for President John F. Kennedy.

As a sign of mourning, classes were not held on that day of national grief; however, it was not a day of laughter and the usual pleasant banter. The pain of loss was keenly felt.

Requiescat in pace.

The Most Reverend

Paul C. Schulte, D.D.

We, the Class of 1964, wish to express our heartfelt gratitude and prayerful sentiments to the Most Reverend Paul C. Schulte, D.D., Archbishop of Indianapolis.

In the 17 years since he was appointed metropolitan of the Indianapolis Archdiocese, His Excellency has served as a model and an incentive for all those seeking the priestly goal.

His foresight and administrative abilities have brought about the construction of many new churches and schools; and his constant spiritual efforts in behalf of his flock, especially his participation in the Vatican Council, have been a source of inspiration to all of us.

In grateful acknowledgement for all this great prelate has done for us, we fervently pray that God will bless all his endeavors.

The Right Reverend Bonaventure Knaebel, O.S.B.

We, the Class of 1964, wish to express our sincere appreciation to the Right Reverend Bonaventure Knaebel, O.S.B., Archabbot of St. Meinrad Archabbey, for his many efforts in our behalf. We realize that, because of his foresight, the facilities of our school have been steadily improved and enlarged.

In his capacity as leader and spiritual father, he has served the Archabbey and Seminary as a capable and far-seeing administrator. In addition, he has guided the development program, supported the reorganization of the monastery's business procedures, and sent additional missionaries to Peru to staff St. Francis de Sales Seminary in Huaraz.

In deep gratitude, then, for everything he has done for us, we the Class of 1964, beg God to bless and protect him always.
